

Show Cars line up to be Judged

The best show cars in the west will be on display at the Tree of Knowledge Festival Revfest Show 'n' Shine to be held in the town's main street on Saturday May 1.

The Revfest organising committee is ensuring there is a category for everyone with vehicles being able to nominate in the following classes: Ute, Sedan, Interior, Exterior Drag Car.

Prizes will be awarded to the "Best Presented" in all categories

Vehicles can be nominated on the night or prior to the event by ringing 46516197, a \$10 fee is to accompany nominations.

The Show 'n' Shine has generated considerable interest at past events and the organisers are expecting nominations to be much greater in number this year.

The Show 'n' Shine follows the Main Street Cruize which will see the drag cars assemble at the towns showgrounds at 6pm then drive to the main street.

The Street Cruize is a highlight of the Festival offering a real sight and sound spectacular.

Following this, those vehicles entered in the Show and Shine will be parked beside the Tree of Knowledge memorial where the official judging will get underway around 7pm.

However, the Show and Shine is definitely not restricted to drag cars, organisers are just as keen to see the family wagon on show.
