Events

Businesses and residents get involved in the Town design competition. The theme is 'The Strike' so why not get your design hat on and get creative and build a sculpture such as a tree, a sheep or a shearer. Alternatively businesses and schools can create a window display. Residential designs will need to be a maximum height of 1.5m and portable for display at The Globe.

Make sure you tag 'Tree of Knowledge Festival' on Facebook  with a picture of your display/sculpture. #TreeofKnowledgeFestival
email: barcaldinecommunityevents@gmail.com

*Sculptures will need to be delivered to The Globe on Wednesday 27th and Thursday 28th of April from 3pm - 4.30pm.
*BCE does not take any responsibility for your sculpture during bump in and out and during display at The Globe.
Competition is open to residents and businesses of Barcaldine only.
